

Triple crown for Brunswick

By Derek Fish

SHEFFIELD Brunswick have won the Sheffield and District Badminton Association's triple crown.

Brunswick took the Men's Division One, Combined Division One and the Ladies Division One titles — the first time a club has won all three major honours in the league's history.

Ironically, the club clinched the men's championship with a walkover!

After beating Eckington and Granville College 9-0, Brunswick had to beat Davy Lowey to pip Stocksbridge for the title. . . and Loewy handed it to them by failing to turn up.

Brunswick's title success didn't stop at three, however. The men's second team topped Division Three while the third team, led by the eldest player, 16-year-old Jonathan Shaw, surprised everyone by going through the season undefeated to take the Division Six championship. The other youngsters in the team were David Biggins, Ian Rowbotham, Gary Herriott, Stuart Lowe and Philip Seal — all aged 15.

Player highlights include the emergence of G Hadley and E Guymer, and newcomer Wendy Hallam and her fellow county partner, Ann Walker who didn't lose a match all season.

te says: "Even if I am not picked for the Hungary match, it's great to come back and make contact again. I am convinced that we are not only pointing in the right direction, we are heading in the right direction. Our improvement may not be quite as dramatic as some people are suggesting but the important thing is that we must maintain our progress." In a personal level, Keegan had this to say of his game: "I feel that I am playing better than ever before."
